1. Introduction

- 1.1. This policy statement sets out the Academy's arrangements for managing the access of providers to learners at the Academy for the purpose of giving them information about the provider's education or training offer. This complies with the Academy's legal obligations under Section 42B of the Education Act 1997.

2. Learner Entitlement

- 2.1. Learners in KS3 – KS5 are entitled:

- To find out about technical education qualifications and inclusive apprenticeships opportunities, as part of the careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and inclusive apprenticeships through outcome and pathway events, group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

- 2.2 For learners of compulsory school age these encounters are mandatory and there will be a minimum of:

- Two encounters for learners during the 'first key phase' (year 8 to 9)
- Two encounters for learners during the 'second phase' (year 10 to 11)
- For learners in the 'third phase' (year 12 and 13) particularly those that have not yet decided on their next steps, there are two more provider

encounters available during this period, which are optional for learners to attend.

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- Explain what career routes those options could lead to
- Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)

2.3 Previous providers

In previous years, we have invited a range of destination providers from the local area to speak to our learners/parents. Please refer to our website: Careers & Aspirations, Destinations (Pathway & Outcomes Day Evaluation).
