

Arbor Parent App

The Arbor Parent App brings all the functionality of the desktop Parent Portal to your phone.

View important information about your child, receive messages from school and keep your details up to date – all in one convenient app.

Download the Arbor Parent App

Free to download and easy to use

What can you do with the Arbor Parent App?

Attendance

View attendance summaries and statistics.

Activities

See details of clubs, trips and other activities.

Timetable

View your child's timetable and lessons for the day.

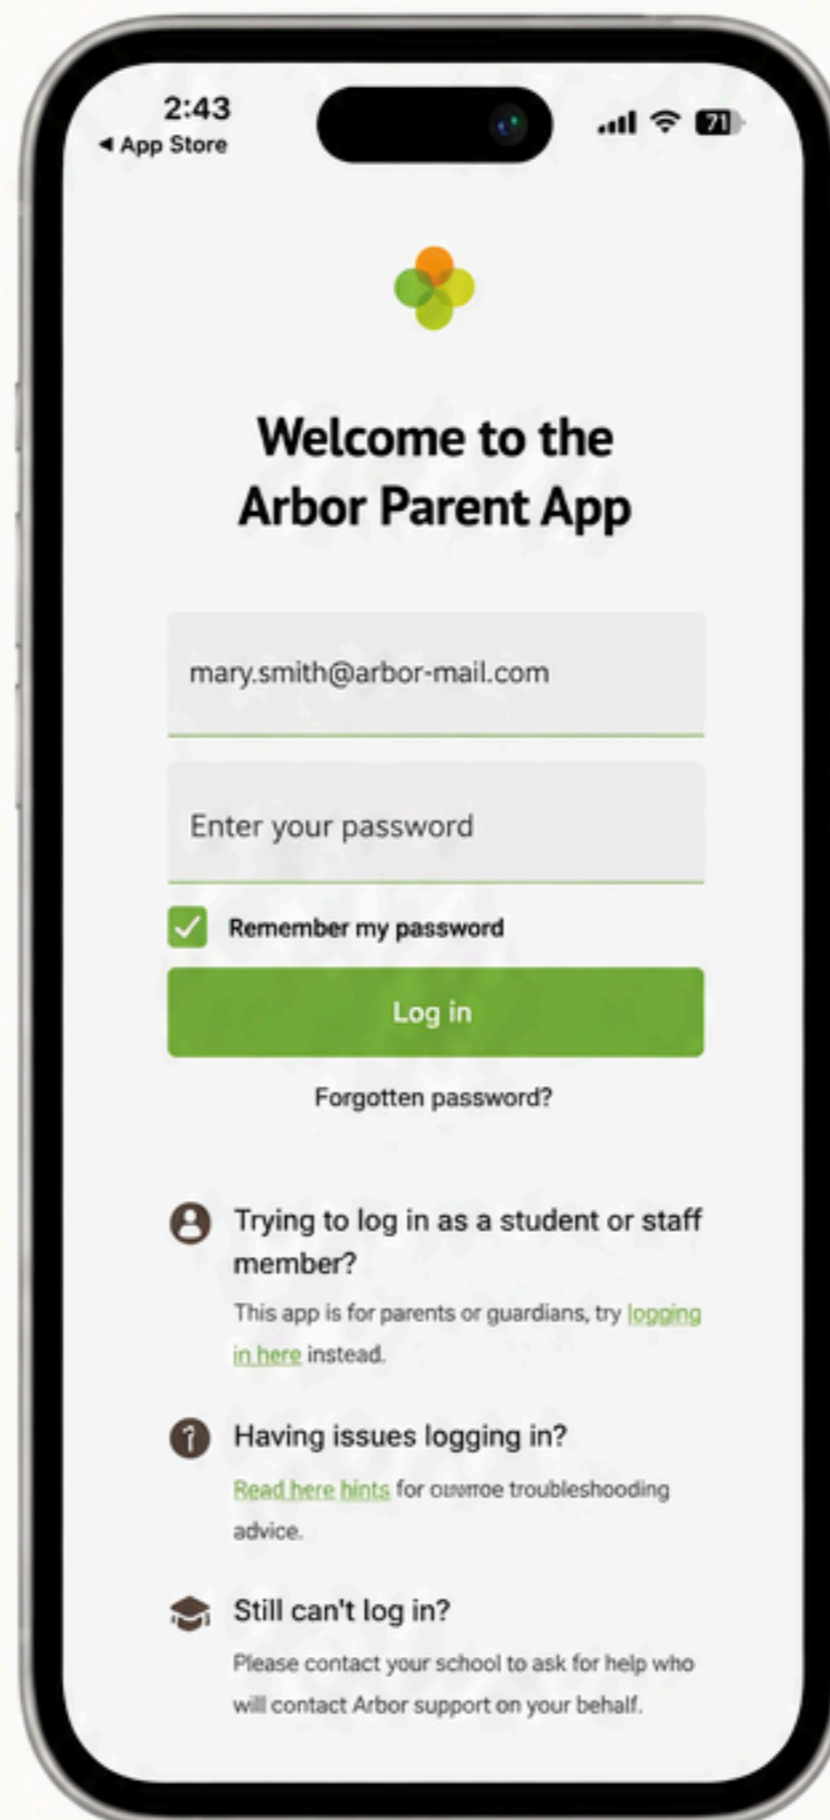

Student Details

Check key information we hold and request updates if needed.

Student Consents

View and manage your child's current consents.

Getting started

1. Download the App

Scan the QR codes above or search for 'Arbor' in your phone's app store.

2. Enable push notifications

Android: Settings > Apps > Arbor > Notifications
iOS: You'll be asked to allow notifications when you download the app. Select 'Allow'.

3. Log in

Use the email address we hold for you at the school. You will be asked to confirm your child's date of birth. (If you have more than one child, enter the eldest child's date of birth.)

4. Select your school

Search for and select Calthorpe Academy.

5. You're all set!

Explore the app and access important information anytime, anywhere.

Need help?

If you have trouble logging in, please contact the school office team to check the email address we hold for you.

In-App Messages

We'll send messages directly to your app. You'll receive a notification when you have a new message.

Tap the profile icon (bottom right) to view your messages.

For more information and support, visit our school website.

Thank you for supporting your child's education journey.
